PRE-INSTALLATION PREPARATION

To insure a smooth carpet installation at your residence, please make sure the following steps are taken prior to the arrival of your new carpet:

1. Clear all rooms of breakables, including china, lamps, vases, glassware, etc.
2. Clear tops of all end tables, coffee tables, etc.
3. Drain fish tanks.
4. Disconnect wiring of any electrical equipment such as computers, TVs, VCRs, video games, etc.
5. Box up any books from your bookshelves.
6. Clear floor of any clothes, debris, etc.
7. Remove all valuables.

We will move your furniture, install your carpet and then move your furniture back into place. We will not hook-up VCRs, computers, cables, etc.

Installers running late? Call 301 758-8675 for scheduling updates.
